The tax deduction has to be certified on demand. Those foreign competitors being exempted from tax deduction are kindly asked to submit an exemption certificate either with the entry or on the first show day at the latest. Every competitor himself is responsible for the correctness of the details he submits.

4. INSURANCES

All owners and athletes are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. 5. LIABILITY

The organizer declines any liability for property or pecuniary damage which may happen to visitors, athletes, grooms and horse owners through slight negligence of the organizer, his delegates or his assistants. The OC is liable in case of intent, gross negligence as well as in case of injury to life, body or health and in further cases he is liable for compelling legal liability acc. to the legal requirements. Furthermore he also declines any liability for theft or other incidents.

6. EVENT'S ORGANISATION

THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin des Délices 9, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.fei.org.

"Top Score Competition" Four-in-Hand - international

Scoring and classification

analogues to Rules for Jumping Art. 270:
The obstacles carry points from 10 to 120 according to difficulty. The obstacles may be approached in both directions, but each obstacle only twice. The athlete is credited with the number of points carried by each obstacle that he has driven correctly. In a fixed time the driver may pass all the obstacles he wishes in any order and in any direction. He must cross the starting line in either direction. Ringing the bell declares the end of the round. The athlete must then cross the finishing line in one direction or the other to allow his time to be recorded. If the fixed time is reached at the moment when the 4 horses are already in the obstacle, then this obstacle counts if it is correctly taken. Any obstacle knocked down during a round will not be rebuilt, if it is used again, no points will be credited to the athlete. Taking an obstacle more than twice does not incur elimination; however the athlete does not score the points allotted to this obstacle. One obstacle duly marked by flags is the "joker". The "joker" may also be taken twice; 200 points are awarded each time this obstacle is driven correctly, but if it is knocked down 200 points are deducted. Winner is the athlete who has obtained the highest number of points. In case of equality of points and time for the first place, there will be a drive-off over the same course with shortened time.

Fixed time: 150 seconds
Starting order: in reverse order of competition No. 29.
Number of four-in-hands per driver 1
Total Prize Money: € 4.000,00
Breakdown: 1.000/800/600/450/300/250/3x200
